

5045 Student Fees

The school district shall provide free instruction in accordance with the Nebraska State Constitution and Nebraska state law. The district also provides activities, programs, and services that extend beyond the minimum level of constitutionally required free instruction. Under the Public Elementary and Secondary Student Fee Authorization Act, the district is permitted to charge students fees for these activities or to require students to provide specialized equipment and attire for certain purposes. This policy is subject to further interpretation or guidance by administrative or board regulations. Students are encouraged to contact their building administration, their teachers or their coaches, and sponsors for further specifics.

A. Definitions.

- 1.** "Students" means students, their parents, guardians or other legal representatives.

- 2.** "Extracurricular activities" means student activities or organizations that (1) are supervised or administered by the district; (2) do not count toward graduation or advancement between grades; and (3) are not otherwise required by the district.

- 3.** "Post-secondary education costs" means tuition and other fees associated with obtaining credit from a post-secondary educational institution.

B. Listing of Fees Charged by this District.

1. Clothing Required for Specified Courses and Activities.

Students are responsible for complying with the district's grooming and attire guidelines and for furnishing all clothing required for any special programs, courses, or activities in which they participate. The teacher, coach, or sponsor of the activity will provide students with written guidelines that detail any special clothing requirements and explain why the special clothing is required for the specific program, course, or activity.

2. Safety Equipment and Attire.

The district will provide students with all safety equipment and attire that is required by law. Building administrators will assure that (a) such equipment is

available in the appropriate classes and areas of the school buildings, (b) teachers are directed to instruct students in the use of such devices, and (c) students use the devices as required. Students are responsible for using the devices safely and as instructed.

3. Personal or Consumable Items.

The district does not provide students with personal or consumable items for participation in courses and activities including, but not limited to, pencils, paper, pens, erasers, and notebooks. Students who wish to supply their own personal or consumable items may do so, as long as those items comply with the requirements of the district. The district will provide students with facilities, equipment, materials, and supplies, including books. Students are responsible for the careful and appropriate use of such property. Students will be charged for damage to school property caused by the student and will be held responsible for the reasonable replacement cost of any school property that they lose.

4. Materials Required for Course Projects.

The school district will provide students with the materials necessary to complete all basic curricular projects. In courses where students choose to produce a project that requires materials beyond the basic materials provided by the district, the students will either furnish the materials, purchase the materials from the school, or purchase the materials from an outside vendor with an order form provided by the school.

5. Technological Devices.

The district will provide students with the technological devices necessary to complete all basic curricular projects.

As with all school property, students may be charged for damage to such devices. To protect against such potential losses, students and parents may, but are not required, to purchase insurance coverage for the devices. The maximum dollar amount of this insurance coverage facilitated by the district will be \$35.

Additionally, the district may allow students to purchase technological devices by arranging for the students to purchase these devices through a single, or series of, payments.

6. Extracurricular Activities.

The school district may charge students a fee to participate in extracurricular activities to cover the district's reasonable costs in offering such activities. The district may require students to furnish specialized equipment and clothing that is required for participation in extracurricular activities, or may charge a reasonable fee for the use of district-owned equipment or attire. Attached to this policy is a list of the fees charged for particular activities. The coach or sponsor will provide students with additional written guidelines detailing the fees charged, the equipment and/or clothing required, or the usage fee charged. The guidelines will explain the reasons that fees, equipment, and/or clothing are required for the activity.

The following list details the specifications for any equipment or attire required for participation in extracurricular activities:

Cheerleading, Drill Team, Flag Corps:

Students must provide their own shoes and undergarments.

Football:

Students must provide their own football shoes, undergarments, and mouthguards.

Golf:

Students must provide their own golf shoes, undergarments, and clubs.

Track and Volleyball:

Students must provide their own shoes and undergarments.

Future Farmers of America:

Students must purchase their own jackets if they want to keep them. The district will provide jackets if students do not wish to purchase them but they must be returned to the district.

7. Post-Secondary Education Costs.

Some students enroll in post-secondary courses while still enrolled in high school.

As a general rule, students must pay all costs associated with such post-secondary

courses. However, for a course in which students receive high school credit or a course being taken as part of an approved accelerated or differentiated curriculum program, the district shall offer the course without charge for tuition, transportation, books, or other fees. Students who chose to apply for post-secondary education credit for these courses must pay tuition and all other fees associated with obtaining credits from a post-secondary educational institution.

8. Copies of Student Files or Records.

The school district will charge a fee for making copies of a student's files or records for the student's parents or guardians. The Superintendent or the Superintendent's designee shall establish a schedule of student record fees. Students' parents have the right to inspect and review the students' files or records without the payment of a fee, and the district shall not charge a fee to search for or retrieve any student's files or records. The district will charge a fee of 10 cents per page for reproduction of student records.

9. Charges for Food Consumed by Students.

The district will charge for items that students purchase from the district's breakfast and lunch programs. The fees charged for these items will be set according to applicable federal and state statutes and regulations. The district will charge students for the cost of food, beverages, and the like that students purchase from a school store, vending machine, booster club or from similar sources. Students may be required to bring money or food for field trip lunches and similar activities.

The maximum dollar amount charged by the district for the breakfast and lunch will be determined on an annual basis.

10. Charges for Musical Extracurricular Activities.

Students who qualify for fee waivers under this policy will be provided, at no charge, the use of a musical instrument in optional music courses that are not extracurricular activities. For musical extracurricular activities, the school district

will require students to provide the following equipment and/or attire:

- Band students must provide their own instruments.
- Swing choir students must provide shoes and undergarments.

11. Contributions for Class Extracurricular Activities.

Students are eligible to participate in a number of extracurricular activities during their years in Junior/ Senior High school, including prom, various senior recognitions, and graduation. In order to fund these extracurricular activities, the school district will ask each student to make a contribution to their class's fund beginning in seventh grade. This contribution is completely voluntary.

Students

who chose not to contribute to the class fund are still eligible to participate in the extra activities.

C. Waiver Policy.

Students who qualify for free or reduced-price lunches under United States Department of Agriculture child nutrition programs shall be provided a fee waiver or be provided the necessary materials or equipment without charge for (1) participation in extracurricular activities, (2) materials for course projects, and (3) the use of a musical instrument in optional music courses that are not extracurricular activities. Students are not required to participate in the free or reduced-price lunch program to qualify for the waivers provided in this section. The district is not obligated to provide any particular type or quality of equipment or other material to eligible students. Students who wish to be considered for waiver of a particular fee must submit a completed fee waiver application to their building principal. Application forms are available in each school building office.

D. Distribution of Policy

This policy will be published in the Student Handbook or its equivalent that will be provided to students at no cost.

E. Voluntary Contributions to Defray Costs.

When appropriate, the district will request donations of money, materials, equipment, or attire from parents, guardians and other members of the community to defray the costs of providing certain services and activities to students. These requests are not requirements, and staff members of the district are directed to communicate that fact clearly to students, parents, and patrons.

F. Fund-Raising Activities

Students may be permitted or required to engage in fund-raising activities to support various curricular and extracurricular activities in which they participate. Students who decline to participate in fund-raising activities are not eligible under this policy for waiver of the costs or fees which the fund-raising activity was meant to defray.

G. Student Fee Fund.

The school board hereby establishes a Student Fee Fund. The Student Fee Fund shall be a separate school district fund that will not be funded by tax revenue, and that will serve a depository for all monies collected from students for (1) participation in extracurricular activities, (2) post-secondary education costs, and (3) summer school or night school courses. Monies in the Student Fee Fund shall be expended only for the purposes for which they were collected from students.
